

DNA OF GLOBAL CITIZENSHIP

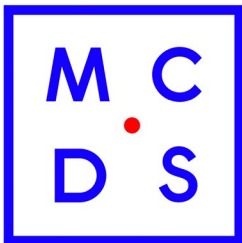

MIAMI COUNTRY DAY SCHOOL

Global Citizenship is a fundamental part of the Miami Country Day School experience. Understanding the interconnectedness of the global community, and the role that we play, is essential to success beyond graduation. Everything we do, from PK3 through grade 12, prepares us to meet that goal. It is the fabric of who we are. It is in our DNA, and our grade level strands highlight how we live that mission.

A global citizen is:

- Open-minded and appreciative of cultural diversity
- Independent, yet able to work cooperatively
- Skilled in conflict resolution and problem-solving skills
- Empathetic of and compassionate toward others
- Appreciative of "the other"
