

G8way Argentina
November 18-25, 2026
Class of 2031

Be the adventure you imagine.

Too often in life, we keep our adventures inside. We envision greatness, but don't act. We dream of taking risks but stay in our comfort zones. Travel with GATEway provides our students with their passport to realize their dreams and to be the adventure they imagine. In short, GATEway is experiential, cultural, and responsible travel at its best. G8way does this with 8th graders in mind and at the center of our plans.

This year, we are thrilled to once again offer our travel program specifically designed and reserved for our **8th graders, the Class of 2031: G8way!** This adventure takes us to the city that is often referred to as "The Paris of South America," **Buenos Aires!** G8way is reserved just for 8th graders because we know how special you are! Our adventure begins with an overnight plane ride from Miami to Buenos Aires on November 18, 2026. From there, we hit the ground running to take full advantage of this amazing capital city. Buenos Aires is a melting pot of global cultures, including Spanish, French, Irish, Italian, German, and Japanese, among many others. Combined with its rich indigenous history and Latin American soul, Buenos Aires offers something for everyone - and we will discover it all! Imagine a day spent living the life of a Gaucho on an authentic estancia. Delight in learning about and taking part in an Argentine cooking class while you sample a traditional *asado*, *alfajores*, and *empanadas*. Get accustomed to the art of drinking *mate*. See the ins and outs of the vibrant neighborhoods of Buenos Aires, including La Boca, Palermo, Recoleta, and Puerto Madero. Trace the steps of the Madres de la Plaza de Mayo and see the Casa Rosada. Then, we head up north for our tropical adventure: a 2-night/3-day visit to the Iguazú Waterfalls on the border of Brazil, Argentina, and Paraguay. There, we will explore this world-wonder from above, next to, and inside! It's all at your fingertips. At the end of our experience, our G8mates will truly understand why Buenos Aires, and Argentina in general, are unique cultural destinations that cannot be missed. G8way Argentina awaits!
